

Viper® Select Gallonage Nozzle

Feature

- Four gallonage selection rings **30, 60, 90, and 125 GPM**

Materials

- Constructed of E-Lite® aluminum and brass internals

Specification

- Maximum working pressure **100 PSI**

Size	Thread	GPM @ 100 PSI	Part #
1-1/2"	NST	30 - 125	DSG3012F
	NPSH		DSG3012S

Feature

- Four gallonage selection rings **15, 30, 50, and 60 GPM**

Size	Thread	GPM @ 100 PSI	Part #
1-1/2"	NST	15 - 60	DSG1560F
	NPSH		DSG1560S

Viper Select Gallonage Low Flow Nozzle

Features

- Four gallonage selection rings **5, 10, 25, and 40 GPM**
- Available without pistol grip

Materials

- Constructed of E-Lite aluminum and brass internals

Specification

- Maximum working pressure **100 PSI**

Size	Thread	GPM @ 100 PSI	Part #
1"	NST	5 - 40	DSG540F
	NPSH		DSG540S

N

Viper Constant Gallonage Nozzle

Features

- Fulltime swivels and spinning teeth
- BIMATIC flush system allows flush without shutting down
- Removeable pistol grip
