### CODE LEGEND FOR AVAILABLE COLORS

(Refers to last two letters of the Series number.)

|           |              |            |            |                 |
|-----------|--------------|------------|------------|-----------------|
| A = BLACK | D = WINE RED | G = GREEN  | J = TAN    | M = SILVER      |
| B = GREY  | E = BLUE     | H = RED    | K = YELLOW | O = TRANSLUCENT |
|           | F = PURPLE   | I = ORANGE | L = WHITE  |                 |

**Note:** The second to last letter refers to the hose tube color and the last letter refers to the hose cover color.

Alfagomma® hoses are produced using silicone free release agents.

Please call your local Kuriyama Warehouse for availability of products/sizes shown.

NOTE: Although every effort has been made to accurately show the color of the ALFAGOMMA hoses in the catalog, because of the limitation of four-color process printing, some of the colors shown herein may not be exact.
